

IP68
CERTIFIED

RGBW COLOR CHANGING MOOD LIGHTING FOR CAR WASHES

Product Features

Engineered for Car Wash - Designed specifically for car wash applications with best in industry IP68 waterproof rating and extreme chemical resistance. Lightweight, low-profile and easy to mount to ceilings, walls, arches and equipment.

Powerful Light Shows - Create an unrivaled customer experience with impactful light shows that actively attract and retain new business.

Controllable RGB Segments - Each two foot segment is designed to be independently controlled through DMX providing the end user with a seamless linear or color changing show.

Plug & Play Wiring & Control System - Patented plug & play wiring and control system for a simple, fast and professional installation.

Performance Summary

Power

Up to 200W

Mounting

Surface (Ceiling, Wall or Arch); 45° Wall Mount Option Available

Dimensions

Lengths 4' & 8' x Width 3" x Height 4"

Voltage

120-277 VAC Input

Secondary Optics

RGB version available with an added narrow 40° optic for arch and equipment lighting

Ordering Information

Product	Length	Light Source	Optics	Through Wired

Product Specifications

Construction & Materials

Convenient push-and-click connectors let you easily and rapidly install Leader Cables and Jumper Cables. Multiple cable lengths support a variety of layouts.

Integrated aluminum heat spreader.

Seamless polymeric outer shell provides IP68 ingress protection and is specialized for superior chemical resistance.

All G&G luminaires and components (with the exception of our LED boards and drivers) are proudly manufactured and assembled in the USA.
