COLOR CHANGING LED FIXTURE FOR CAR WASH ARCH EFFECTS

The Brightest Light Show in the Industry:

Choose from over 20 built-in shows including unique rainbow and scrolling animations to create unmatched color effects. Improved color choices & new shows are **3x brighter** than the original RainbowMAXX!

Simple Color Changing Control:

Control the luminaire from a single push button for incredible ease of use. Easily choose from animated or single color options and adjust speeds at will.

New Modern Housing:

Updated round housing is extremely lightweight and new mounting system makes installation a breeze.

Engineered for Car Wash:

Designed specifically for car wash applications with IP68 waterproof rating and extreme chemical resistance.

Made in the USA:

Engineered and manufactured in New York, G&G fixtures are built on quality, innovation and the latest in LED technology.
