LED MAINTENANCE & OIL LUBE PIT LIGHTING

Low-Profile Aimable Design:

Slim, 1" round low-profile design enables the TRX fixture to be mounted in almost any location and aimed to direct light where needed.

Harsh Environment Rated:

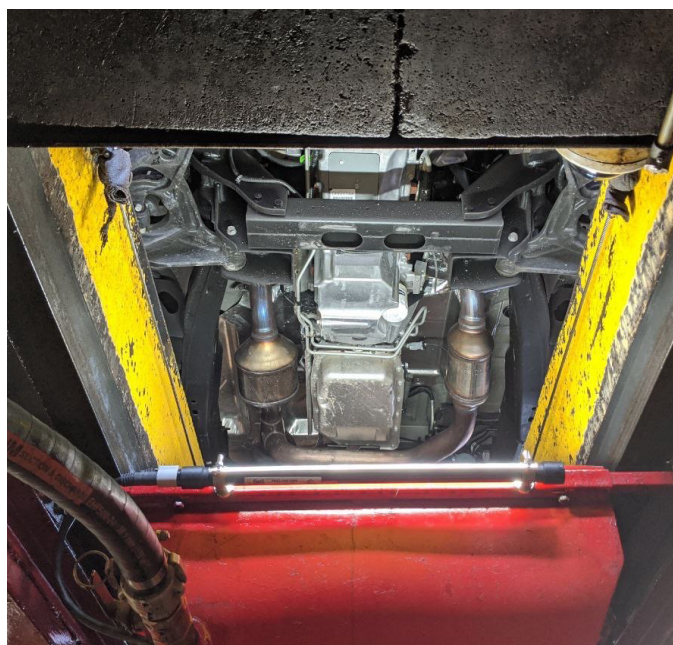

Engineered for tough environments, the TRX series has an IP68 ingress protection rating against dust and water and is IK07 impact certified.

Maintenance-Free Driverless Design:

Innovative driverless design allows the fixture to connect directly to AC line voltage without an LED driver or electrolytic capacitors for extreme reliability.

Heavy Duty Quick-Connect Cabling:

Heavy duty cabling and push-and-click connectors make TRX series fixtures easily to install and daisy chain for long linear runs.
