COLOR CHANGING VAC LIGHT

COLOR CHANGING LED VACUUM AREA & CANOPY LIGHTING

Stand Out From the Crowd:

Increase your curb appeal with the ability to create unique, eye catching colors and color changing lighting shows

Simple Wireless Control:

Sync each arch light together on a single wireless remote for a high quality, easy to control solution

Low-Profile, Formable Design:

Slim, 1" round low-profile design enables the fixtures to be aimed, formed and mounted in almost any location. The end result is a sleek, clean and modern appearance

Made in the USA:

Engineered and manufactured in New York, G&G fixtures are built on quality, innovation and the latest in LED technology
