

COLORWASH

CAR WASH LIGHTING CONTROLLER

Unlock The Power of Color

Differentiate.

Be the car wash everyone talks about.

Shine brighter, stand out louder, and turn every wash into a share-worthy experience. Make your brand unforgettable—so your customers spread the word for you.

Elevate.

Turn your wash into the main attraction.

Create a show-stopping experience that pulls people in, wows them with every visit, and keeps them coming back for the encore. Be the place that sets the bar for what a car wash *should* be.

Generate.

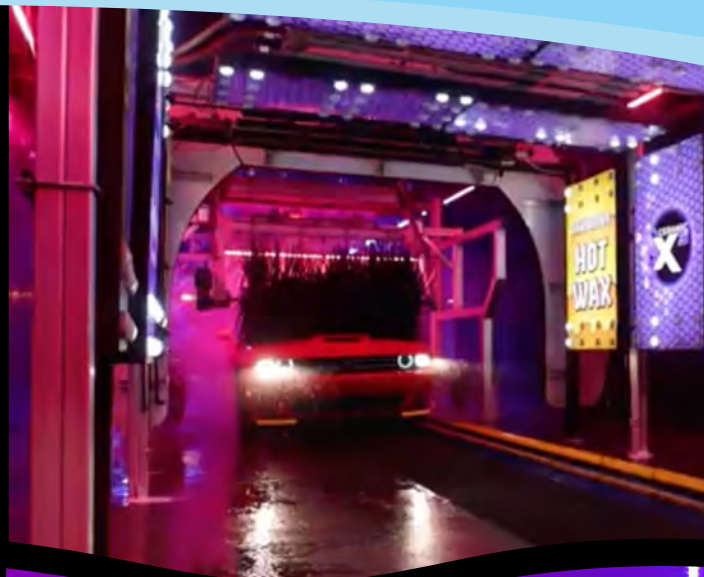

Boost traffic. Build loyalty. Light up your bottom line.

From eye-catching holiday shows to nighttime curb appeal, ColorWash® turns your site into a revenue-generating spectacle—keeping members hooked and new customers rolling in.

What's your ROI?... Just **look at the numbers!** You don't get there without that piece of the pie. The light show is a very critical piece that you have to have to be on brand, to provide your customers with an unmatched customer experience and to put a show on.

BO Davis

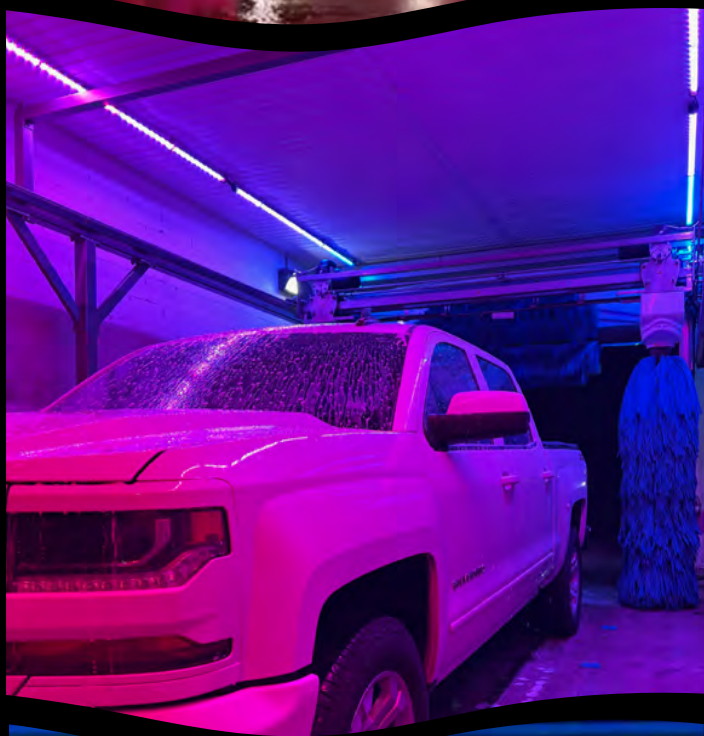

General Manager, Papa Bear Car Wash

We saw a **119% increase in monthly traffic and tripled our memberships.** I went from washing zero cars at nighttime, to multiple regularly after installing ColorWash.

Tyler Mooney

Owner, Jasper Car Wash

After adding ColorWash at over 200 sites, we saw an average **70% increase in traffic during night time hours** and a **30% increase in overall business.**

Scott Soisson

Car Wash Sales Manager, Sheetz

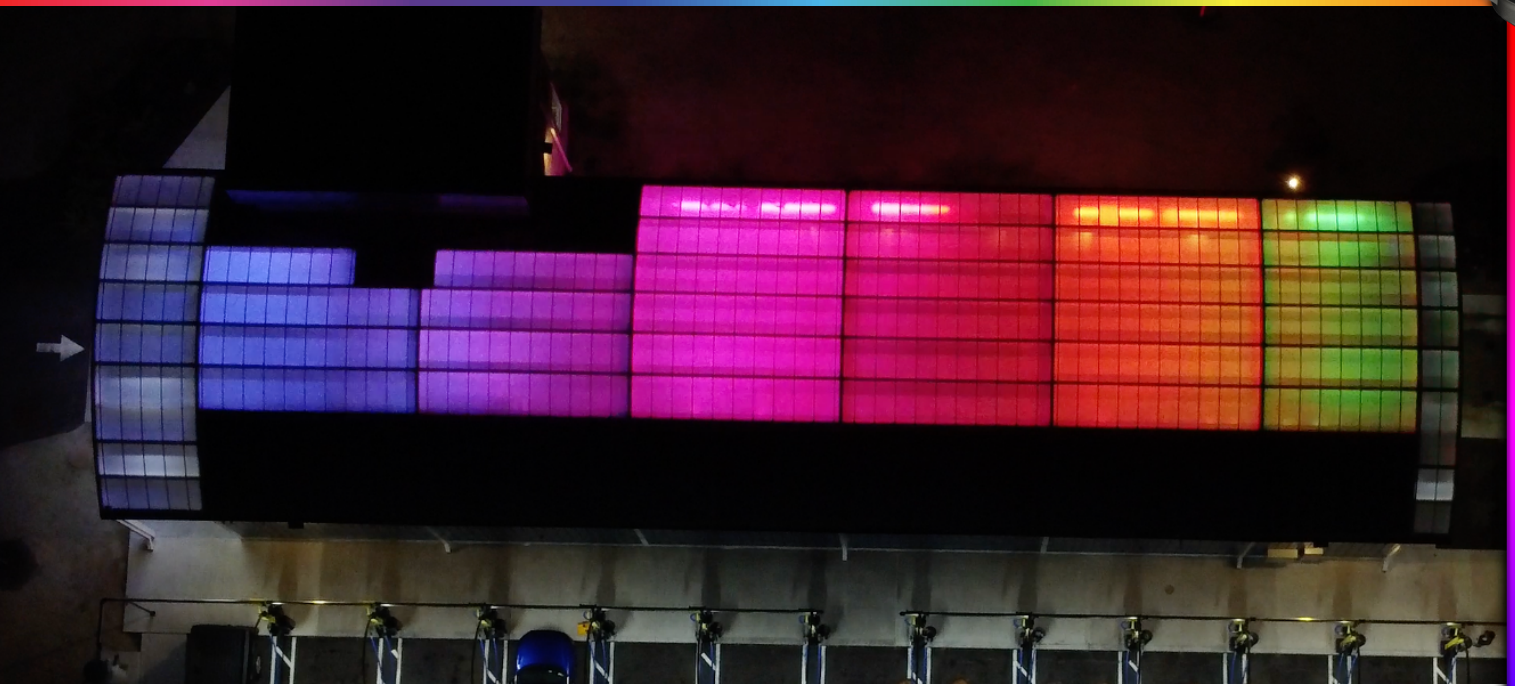

Impact with Focused Color

Emphasize wash processes and package tiers with ColorWash® Nano. Watch foam sheets come to life with vivid color animations while mood lighting shines directly on the car, creating an engaging experience. ColorWash® Nano strategically places color exactly where you need it most. Equipped with a narrow angle optic, color output is tightly focused for high impact with precision saturation.

- Narrow optics for focused light output
- Aimable 1" low profile housing
- 9,000 lumens of white light
- Optimized for arch effects

Grow. Delight. Profit. Ask us about *Concierge...*

Immersive Color Experience

ColorWash® PLUS is the premier solution for creating unrivaled car wash lighting experiences. Drench your tunnel or bays with high output color that captivates, and create zones soaked in hues that compliment wash processes. Build your brand by creating an ambiance with your company colors, set the scene to celebrate a holiday and capture roadside attention with the movement of colored light. ColorWash® PLUS is the ultimate lighting package.

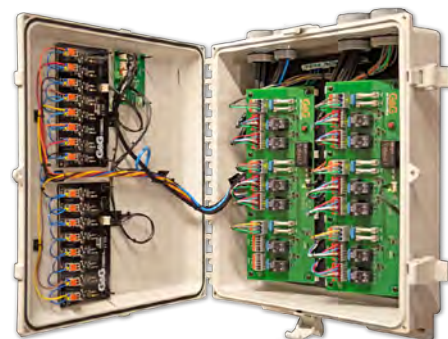

- Premium RGBW components in 3" housing
- High powered light output
- Enhanced show effects
- 16,000 lumens of crisp white illumination

You focus on washing cars—we'll handle the lighting for you.

Connected Systems

The ColorWash® Controller brings your lighting to life.

Integrates with your car wash equipment to create dynamic light shows that highlight every stage of the wash process. With easy zones and triggers, you can showcase packages and features in style—making your wash unforgettable. Simple to use. Built to impress.

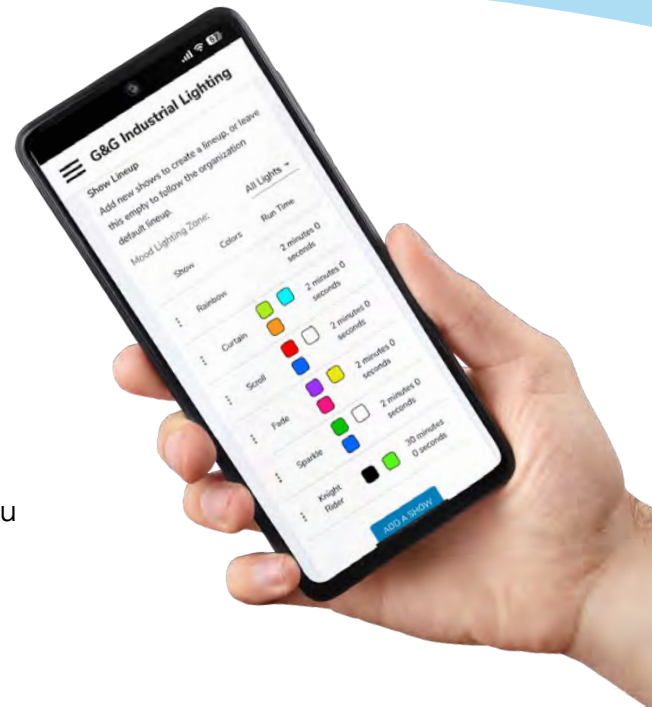

LED Fixtures Purpose-Built for Car Washing

The ColorWash® system utilizes durable LED fixtures that are IP68 waterproof, chemical resistant, and UL wet-location certified. Our patented plug-and-play system makes installation and maintenance quick and easy. Backed by a 3-year warranty, ColorWash delivers unmatched value and reliability. Proudly made in the USA.

Simple Control

- Customize colors and speed to preset effects
- Specify company colors to align with branding
- Easily create holiday and special event lineups
- Sync lineups across multiple locations with one button
- Set automated scheduling to make your lighting work for you
- Over-the-air updates for the latest innovations
- User access provisioning puts control into the proper hands

Want your wash to shine without managing the details? Let our lighting designers hand-craft shows that make your car wash standout with our *Concierge* service. We create moments of delight that enhance your brand and grow profits with ease. Sit back and enjoy the magic of ColorWash, effortlessly!
